### **ENVIRONMENTAL COMPLIANCE STATEMENT**

One of the important purposes of this Association is to support the uniform enforcement of local, state, and federal environmental laws. Protection of the environment, the public and large and the welfare of our workforce are primary objectives of the Association. To this end, each member is solely responsible to maintain good faith compliance with existing environmental law and regulations as they apply to their own business.

**Indicate your efforts in this area by checking one of the following:**

\_\_\_\_\_ My company follows applicable environmental laws as of the date of this application or will be by \_\_\_\_\_.

\_\_\_\_\_ My company is making a good faith effort to comply with existing environmental laws within the framework established by the regulatory agencies.
